COMMENTS FROM AUDIENCE:

ADJOURN:

THIS NOTICE IS GIVEN AT THE DIRECTION OF THE MAYOR PURSUANT TO CHAPTER 28A, CODE OF IOWA AND THE LOCAL RULES OF SAID GOVERNMENTAL BODY. POSTED NOVEMBER 1, 2013.

NOTICE OF PUBLIC HEARING

TO WHOM IT MAY CONCERN:

You are hereby notified that the City Council of the City of Cresco, Iowa, will hold a Public Hearing on the 4th day of November, 2013, in Council Chambers at City Hall. At this meeting the Council proposes to amend Chapter 74 Golf Carts and UTVs in the Cresco Code of Ordinances.

The proposed ordinance may be viewed at Cresco City Hall during normal office hours or online at cityofcresco.com. This public hearing will be conducted during a regular Cresco City Council Meeting starting at 7:00 pm.

Any resident of Cresco wishing to be heard concerning the reasons for or objections to the proposed ordinance, must appear at said hearing and voice your opinions.

BY ORDER OF THE CITY COUNCIL OF CRESCO, IOWA

City Clerk Michelle Girolamo

NOTICE OF PUBLIC HEARING

TO WHOM IT MAY CONCERN:

You are hereby notified that the City Council of the City of Cresco, Iowa, will hold a Public Hearing on the 4th day of November, 2013, in Council Chambers at City Hall. At this meeting the Council proposes to amend Chapter 75 All-Terrain Vehicles (ATVs) and Snowmobiles in the Cresco Code of Ordinances.

The proposed ordinance may be viewed at Cresco City Hall during normal office hours or online at cityofcresco.com. This public hearing will be conducted during a regular Cresco City Council Meeting starting at 7:00 pm.

Any resident of Cresco wishing to be heard concerning the reasons for or objections to the proposed ordinance, must appear at said hearing and voice your opinions.

BY ORDER OF THE CITY COUNCIL OF CRESCO, IOWA

_____

City Clerk Michelle Girolamo

Notes for November 4, 2013 Meeting November 1, 2013

Public Hearings – Ordinnance 448 adds UTV's to the the golf cart ordinance and allowing them on City streets. Ordinance 449 removes UTV's from the chapter not allowing ATVs and snowmobiles on City streets.

Annual Financial Report – This is the official report of the revenues and expenses for last fiscal year that is filed with the State Auditor. I tied it out to the preliminary audit report. After many hours of work by Sue and myself we got the new accounting software to print the information to be input into the State's form. Next year it should work much better. This was one of the benefits of the conversion so next year we should see the benefit. Hopefully it will also make the budget easier to input into the forms as well.

Personnel Committe – Due to the elimination of the City Administrator three years ago, the duties were split between the Public Works Director and City Clerk. It has been determined that the City of Cresco will not hire a City Administrator to replace the old one. The City Administrator position has been removed from the Cresco Code of Ordinances when it was updated.

Special Use Permit – This second notice is for the Public Hearing of the Board of Adjustments. . Because the City owns land within 500 feet of Lindstrom's Funeral Home, we are receiving this letter. If the City, as a property owner, chooses to object to the construction of a crematorium, then we must object orally or in writing at the Public Hearing on November 19, 2013. Letters were sent to all property owners within 500 feet and the public hearing notice was published. The first letter we had received was for the Planning and Zoning Committee public hearing.

Airport Commission – We have two members of the Airport Commission that have verbally said they will be resigning. We have two individuals interested in the positions but both live outside the City limits and two of the other members already live outside the City limits. Due to the difficulty of finding interested persons for the position, we are recommending removing the rule that at least three members must be residents of the City.

Worksession – We need to plan a worksession to address nuisance properties namely the trailer courts. Rod suggested early December or January. Remember that we will be having some worksessions in Dec and Jan for budget as well. Working on the budget is next on my "to-do-list".

ACA Fees – I am attaching a copy of the ACA fees that the City will have to start paying on January 1, 2014. I am still trying to figure out if I can levy for these fees or not. Anyways it is too late to pay for the first 6 months of fees since we can't change our levy. Bottom line is that at a minimum we will be paying $14,600 in fees on top of the health insurance premiums. Some fees are already built into the premiums we are paying. Some of the other fees are still waiting for the government to implement them or to give guidance on how to implement them. Luckily we do have some reserves to pay for these extra fees for now.

Have a great weekend.

Michelle

The Cresco City Council met October 21, 2013, at 7:00 pm at City Hall. Council members Carman, Bouska, McGee, McCarville and Loveless were present. No council members were absent.

Carman made the motion to approve the consent agenda which included approval of the: agenda; claims; minutes of the October 7, 2013 meeting; class C Liquor License (LC) with outdoor service to M&M Lounge LLC d/b/a M&M Lounge on October 26, 2013. Bouska seconded and it passed all ayes.

Public Works Director Rod Freidhof reported (a) street department is sweeping leaves and also hauling them out with the loader and trucks. One truck is in the repair shop getting looked at. Tree trimming is done for the year. Will install "no public outlet" signs on the Vernon Road; (b) sewer department set the generator at the south lift station but it still needs to be wired and put online. Mike Born & Rod will attend the Regional Meeting in Manchester; (c) water department has all the hydrants ready for winter. Concrete will be repaired from watermain breaks earlier this year; (d) Theatre was inspected by Aaron Martin with Building Restorations Corp. He said it could take months for the wall to dry out and suggested that we put in an air exchange system. We are getting quotes on air conditioners and an air exchange system; (e) Merit Contracting, who did the repairs on the Library roof in 2010, will inspect the Library roof this week and hopefully repair the leaks on the Library.

Police Chief Tim Ruroden reported that the Thor-a-Thon was a huge success with 294 registrations and many donors and volunteers. A special thanks to Brad Burke and Officer Cory Jarchow for organizing the event. Thor was utilized later that night and aided in conducting some arrests. The Thor-a-Thon raised almost $6,400 after expenses. These funds will help with the costs of maintaining the dog especially for unforeseen expenses like Lyme's Disease that he contracted earlier this year. Ruroden is working with the Chamber and will address the next Retail Committee meeting to get input from business owners on how parking restrictions impact their businesses.

City Clerk Michelle Girolamo reported (a) September Financial Statements were included in the packet; (b) been busy with Ordinance changes and annual reports and audits; (c) everyone is invited to the Howard County Business & Tourism annual banquet on November 9, 2013.

Mayor Bohle opened the Public Hearing to amend the current budget for fiscal year ending June 30, 2014. There were no written or oral comments so the public hearing was closed. Girolamo explained the net effect of the amendment was to increase the budgeted loss by $2,759 and was due mainly to timing and projects overlapping last year. The amendment was necessary to keep each function from going over budget. Bouska made the motion to approve the resolution amending the current budget for the fiscal year ended June 30, 2014. McGee seconded and it passed all ayes.

Nick Rissman explained that Howard County is amending their Urban Renewal Plan so they can TIF again to get some projects done. The County had planned to use their FM account to pay for reconstructing the Granger Road but the legislators restricted their use of FM. The County will now use TIF money to fund the Granger Road project. Since the amendment will move the urban renewal area to within two miles of the city limits, a joint agreement would need to be signed between the City and County. McCarville made the motion to approve the resolution authorizing the Mayor and City Clerk to enter into a Joint Agreement between Cities and County. McGee seconded and it passed all ayes.

Dave Gosch updated Council on the improvements being done at the Theatre. Besides trying to dry out the walls, they are remodeling the bathrooms. Because there are different ways to install the theatre seats, one row has been installed to see how people like it. Hopefully the whole downstairs will be installed this year before starting on the balcony. They are looking at

stretching the carpet or replacing it. Gayle Kelm reported on the 100th Celebration with events starting in March 2014 and continuing through the year. The kick-off event will be Simon Estes who will perform at the school and the Opera House. Sunday matinees are planned with movies depicting different decades from 1900-present. Other performances from an Illusionist, Stand-up Comedian (Late Night Catechism), Monroe Crossing (Christmas show) and Crestwood alumni Bev Thiele and Jon Kolbet. CCT will have performances of "Lost in Younkers", "Little Mary Sunshine" and "Howard County play by Jeb Becker". They are hoping to work with the Library as they have their 100 year celebration as well.

Bill Caffrey presented the annual report for the Fitness Center and Parks. Revenues were more than expenses so no local option sales tax was required to be used this year for the normal operations of the Fitness Center. Many projects were completed last year and a list of potential projects was presented. The Kessel Lodge was rented 85 times this past year and rent income was more than utilities by $12,581. Champlin Family Trust donated $10,000 and Ed Squires Estate donated $5,000. Several items will be purchased with these donations and fundraising income received. Items to be purchased include pool vacuum, pool steps, cash register, computer, locker room door mechanisms, lobby carpet and furniture.

Loveless made the motion to approve the recommendation of the Park Board to appoint Jeff Blythe to the Park Board for a three year term expiring 12/31/16. Bouska seconded and it passed all ayes.

Carman made the motion to approve the resolution accepting the Annual Urban Renewal Report of the City of Cresco, Iowa for the fiscal year 2012-2013 and directing the Clerk to file the report with the State of Iowa Department of Management. Bouska seconded and it passed all ayes.

McGee made the motion to approve the resolution allowing for the transfer of funds from Fund #200 Debt Service to Fund #317 Watermain Looping Project. Bouska seconded and it passed all ayes.

Loveless made the motion to approve the resolution allowing for the transfer of funds from Fund #602 Water Repair/Replacement Fund to Fund #317 Watermain Looping Project. Bouska seconded and it passed all ayes.

Loveless made the motion to approve the resolution regarding employee benefits for the Library Staff. Carman seconded and it passed all ayes.

The City of Cresco received a letter because they are landowners within 500 feet of Lindstrom Funeral Home. They are requesting a Special Use Permit to construct a crematorium. The Council did not have any objections to the request.

Loveless made the motion to approve the resolution authorizing the Mayor and City Clerk to sign the Release of Mortgages for the Howard County Motel Development LC. McCarville seconded and it passed all ayes.

Loveless made the motion to set the public hearing for November 4, 2013 to amend Chapter 74 in the Code of Ordinances pertaining to golf carts and utility trail vehicles (UTVs). This ordinance would allow UTVs in addition to golf carts to be operated on city streets if properly registered. McCarville seconded and it passed all ayes.

Mayor Bohle performed the first reading of a summary of proposed Ordinance 448 to amend Chapter 74 of the Code of Ordinances of the City of Cresco, Iowa pertaining to golf carts and UTVs. Bouska made the motion to approve the first reading. McGee seconded and it passed all ayes.

Loveless made the motion to set the public hearing for November 4, 2013 to amend Chapter 75 in the Code of Ordinances pertaining to all-terrain vehicles (ATVs) and snowmobiles. This ordinance removes UTVs from this chapter which disallows the use of ATVs and snowmobiles on city streets. Bouska seconded and it passed all ayes.

Mayor Bohle performed the first reading of a summary of proposed Ordinance 449 to amend Chapter 75 of the Code of Ordinances of the City of Cresco, Iowa pertaining to ATVs and snowmobiles. McGee made the motion to approve the first reading. Carman seconded and it passed all ayes.

Mayor Bohle opened the discussion regarding the old waterworks building. The City received a written quote for $10,000 expiring December 31, 2013 to demolish the reservoir and building. There will be additional costs estimated at $3,000 for landfill fees, digging and capping water lines, and fill if needed. The asbestos inspection cost of $980 has been paid. The quote for abating the asbestos is $4,600. The building may be able to be sold without abating the asbestos if it is disclosed at the sale but we are checking with legal counsel. The tin ceiling, miscellaneous iron items and the cast iron radiators could all be salvaged and sold. Bouska asked that if the building was demolished that we try to salvage the sign on the front of the building. Mayor reminded the public that the Council did a study a year ago and looked at many options and decided that it was not feasible to save the building due to the cost of repairing the roof and other maintenance issues. McCarville said we need to allocate our resources to maintaining the train, Theatre and Library as well as all the other buildings. Don Gooder and Dick Wagoner addressed the Council on behalf of the Historical Society. The City cannot make a gift so it would need to be sold at a public auction to determine the fair market value. The City would set a minimum bid to cover the expenses related to the sale and the value of the land. The Historical Society Board voted to do a fund drive to save the building and are requesting a chance to purchase the building. After a lengthy discussion between the public and the Council, the Council agreed to postpone the vote until the council meeting on November 18, 2013 to give the Historical Society time to determine if there are people willing to pledge the money to purchase, repair and maintain the building. The City Council scheduled a worksession for October 25th to determine a minimum bid amount if it does go to public auction.

Mayor asked if there were any comments from the audience and there were none.

McCarville moved to adjourn at 8:44 pm. Bouska seconded and it passed all ayes. The next regular Cresco City Council meeting will be at 7:00 pm on November 4, 2013 at Cresco City Hall.

Mayor Bohle called to order a special worksession of the Cresco City Council on October 25, 2013 at 1:00 pm at City Hall. Council members Carman, Bouska, McGee and McCarville were present. Loveless arrived at 1:10 pm. No council members were absent.

Council met to set a minimum bid for the waterworks building on Highway 9 in case the Council decides on November 18th to sell the building at a public auction. Freidhof reported there are no legal requirements regarding how much land to keep around the water tower but the DNR recommended keeping enough to maintain the water tower including repairs and painting. Freidhof then asked the City's engineers, WHKS, for their recommendation. Their rule of thumb is to keep a radius the same as the height of the tower which would be 160 feet. However, they said many cities have a minimum of 50 feet around the tower. The 50 feet would extend into a corner of the building according to our rough estimates. Freidhof also pointed out that if the City should ever need to dig a new well or construct a new water tower or other storage facility that it could be done there since we already own that land.

Consensus of Council was that the City should maintain ownership of the land. After a lengthy discussion, it was decided that the City would allow the building to be moved from that location if the Historical Society would want to. A sale price of $5,000 would be set to cover the legal expenses incurred by the City due to the sale of the building. The asbestos would be abated by the City prior to moving of the building. The Historical Society would need to submit a plan to the City of how the building would be moved and where it would be put. The plan must also show the mover has adequate insurance to cover any damages incurred during the move. The plan must be submitted at the Council Meeting on November 18, 2013 when the Council will vote on either selling or demolishing the building.

Bouska moved to adjourn at 2:03 pm. Carman seconded and it passed all ayes. The next regular Cresco City Council meeting will be at 7:00 pm on November 4, 2013 at Cresco City Hall.

Mayor Mark Bohle

City Clerk Michelle Girolamo

ORDINANCE NO. 448

Below is a summary of ORDINANCE 448. A full copy of said Ordinance may be obtained between 8 am and 4:30 pm weekdays at City Hall, 130 North Park Place, Cresco, IA 52136 or on the City's website at www.cityofcresco.com.

BE IT ENACTED by the City Council of the City of Cresco, Iowa, as follows:

THE CODE OF ORDINANCES OF CRESCO, IOWA IS HEREBY AMENDING CHAPTER 74, REGULATION OF GOLF CARTS AND UTVs AS FOLLOWS:

CHAPTER 74

GOLF CARTS AND UTVs (UTILITY TRAIL VEHICLES)

The purpose of this chapter is to permit the operation of golf carts, as authorized by Section 321.247 of the Code of Iowa, as amended, and "UTVs" (utility trail vehicles), as authorized by Section 321.234A of the Code of Iowa, as amended, on certain streets in the City. Golf carts and UTVs may be operated by persons possessing a valid Iowa operator's license and at least 18 years of age except as prohibited in Section 74.09 of this chapter. Golf carts and UTVs shall be equipped with required equipment and shall be operated only between sunrise and sunset. Proof of DNR registration is required for UTVs. Golf carts and UTVs must be inspected annually and a $25 permit must be purchased each year from the City of Cresco Police Department.

74.11 VIOLATION AND PENALTY:

1. A violation of this ordinance shall be considered a municipal infraction as defined at Chapter 4.01 of this Code of Ordinances and shall be punishable as provided in Chapter 4.03 of this Code of Ordinances.
2. For a first offense, the civil penalty shall be $100.00 and revocation of the City of Cresco permit for a period of 60 days.
3. For a second offense the civil penalty shall be $200.00 and revocation of the City of Cresco permit for a period of 730 days.
4. For a third or subsequent offense the civil penalty shall be $300.00 and permanent revocation of the City of Cresco permit.
5. To all of the above civil penalties court costs shall be added pursuant to the Iowa Code.

If any section, provision or part of this ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the ordinance as a whole or any section, provision or part thereof not adjudged invalid or unconstitutional.

The foregoing added Sections 74.01 to and including 74.12 shall be in full force and effect from and after the date of passage and publication as provided by law.

ORDINANCE NO. 449

Below is a summary of ORDINANCE 449. A full copy of said Ordinance may be obtained between 8 am and 4:30 pm weekdays at City Hall, 130 North Park Place, Cresco, IA 52136 or on the City's website at www.cityofcresco.com.

BE IT ENACTED by the City Council of the City of Cresco, Iowa, as follows:

THE CODE OF ORDINANCES OF CRESCO, IOWA IS HEREBY AMENDING CHAPTER 75, REGULATION OF ATVs AND SNOWMOBILES AS FOLLOWS:

CHAPTER 75

ALL-TERRAIN VEHICLES AND SNOWMOBILES

The purpose of this chapter is to regulate the operation of all-terrain vehicles and snowmobiles within the City. Code Sections 75.02, 75.03 and 75.05 are amended by removing references to UTV's which are governed under Chapter 74 of the Code of Ordinances of the City of Cresco, Iowa.

75.02 DEFINITIONS. The paragraph defining "Off-road utility vehicle" was removed.

75.03 GENERAL REGULATIONS. The words "off-road utility vehicle" were removed. There were no other changes.

75.05(1) OPERATION OF ALL-TERRAIN VEHICLES. All references to off-road utility vehicles were removed. There were no other changes.

If any section, provision or part of this ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the ordinance as a whole or any section, provision or part thereof not adjudged invalid or unconstitutional.

The foregoing modified Sections 75.02, 75.03, and 75.05 shall be in full force and effect from and after the date of passage and publication as provided by law.

ADOPTION OF ORDINANCE NO. 449

Council Member _____ moved the adoption of the foregoing Ordinance and Council Member _____ seconded said motion. Thereupon the Mayor called for a roll call vote and the following Council members voted in favor of the adoption of the foregoing Ordinance:

_____

And the following Council members voted against the adoption of the foregoing Ordinance:

_____

RESOLUTION NO. _____

A RESOLUTION ACCEPTING THE ANNUAL
FINANCIAL REPORT OF THE CITY OF CRESCO, IOWA FOR
THE FISCAL YEAR 2012-2013 AND DIRECTING THE CLERK TO FILE
THE REPORT WITH THE IOWA AUDITOR OF STATE

BE IT RESOLVED, by the City Council of the City of Cresco, Iowa:

That the Fiscal Year 2012-2013 Annual Financial Report is approved as presented to the Council.

The City Clerk is directed to forward the above report to the Iowa Auditor of State in accordance with the instructions therein and certify that the Council approved the report the day indicated below. The Clerk is directed to publish the report as required and certify that it has been published. The Clerk shall file the City's copy in the files of the Clerk's Office.

This resolution is effective upon its passage and approval in accordance with the law.

Council member_____ moved the adoption of the foregoing resolution and council member _____ seconded said motion. Thereupon the Mayor called for a roll call vote and the following council members voted in favor of the foregoing Resolution:

_____.

The following council members voted against the adoption of the foregoing resolution:

_____.

PASSED AND APPROVED THIS 4th DAY OF NOVEMBER, 2013.
