Explanation of increases or decreases in revenue estimates, appropriations, or available cash:

Expenses not anticipated for siren update, legal fees for TIF & urban revitalization amendments, regional housing trust fund pledge, retirements, new watermain, engineer feasibility study, inspect small water tower, downpayment fire truck, roof repairs, runway repairs, TIF refund and payout prior years' tourism grants. Fund transfers needed for retirement, nuisance houses, runway repairs, 2nd Ave project and van replacement fund. Revenue increased for meters sold & airport grant.

There will be no increase in tax levies to be paid in the current fiscal year named above. Any increase in expenditures set out above will be met from the increased non-property tax revenues and cash balances not budgeted or considered in this current budget. This will provide for a balanced budget.
