

On March 14, 2016 there was no roll call or minutes taken for this Council special worksession held at the Cresco Theatre & Opera House at 5:30 pm. Council Members Carman, Bouska, McGee, Brenno and McCarville were present for the viewing of the Theatre remodeling. No Council Members were absent.

There was no formal meeting and no formal discussion and no decisions were made. Dennis Riehle of Riehle Decorating conducted the viewing of the repairs and painting that was done. He answered a few questions and explained what they did. The overall reaction of the Council was amazement at how nice everything looked. The painting and ceiling repairs have made the Theatre a unique landmark that people will come and enjoy.

The next regular Cresco City Council meeting will be March 21, 2016 at 7:00 pm at Cresco City Hall.
