

CRESCO KESSEL LODGE

268 7th Ave W.

Opened in September 2008, the new Kessel Lodge, was constructed as a three seasons building to replace the old Kessel house that was razed in the fall of 2006. In the spring of 2009, a storage addition was added to the west side in order to accommodate the senior meal site which opened in July.

The building will seat 60 people inside and 60 people under the outside shelter. It has air conditioning and a furnace. It also is equipped with restrooms, cable TV, water cooler inside, water fountain outside, a storage room, and a few cleaning supplies.

The kitchenette is complete with range, microwave, refrigerator/freezer, 30-cup coffee maker, and a 14-foot serving counter with plenty of electrical outlets.

Being located in Kessel Park, it is a perfect facility for any type of family reunion or open house. Book your event today!
