Parents & Players:

As you probably already know, we are having a number of tournaments here at the Fitness Center this year, and we need your help. These are good fundraisers for our Recreation program, and the Fitness Center. They are also a great opportunity for your child to get some playing time.

Our tournament entry is \$80.00 per team. We do need some parents and others to volunteer a couple of hours during the tournament. We also expect everyone to respect the decisions of the referees both at our tournaments and other tournaments you might enter.

The daily admission for tournaments will be Adults- \$3.00, Students- \$2.00, Pre-school- \$1.00. The admission fee gives patrons entire use of the facility and pool. Please give this information to your family and friends who plan to attend. Ticket holders of the Fitness Center are not charged admission. They just have to check in at the front door.

We need help with the concession stand, scorekeepers, referees, set up and clean up. Also, we are asking for each family to bring a ½ pan of bars etc. to sell at the concession stand during your tournament. (Write your name on pan.) The players and workers will be allowed to have bars free of charge.

The 8th grade parents and players will be helping during the 7th grade tournament and vice-versa. The 7th grade tournament will be 9:00 A.M.-3:00 P.M. The 8th grade tournament will be 3:00-9:00 P.M. All games are played in the upper gym.

I will assign concession workers. If you can not work the scheduled time in the concession stand, you or your team must find a replacement. Don't call us. We will find replacements for referee or scorekeeper only.

Also, there are scorekeepers & referee schedule. There may be a few spots yet to be filled in. Please help out if you can.

You may check our website for the game schedule, rules and workers list.

Remember rule # 1:

Each team must supply one person at the scoring table during their game.

Thank you for your cooperation,

Bill & Rick
