**Cresco Airport Meeting**  
Meeting on August 5<sup>th</sup>, 2015

Kim Bentz called the meeting to order at 5:20 pm at the Cresco Airport.

Attendance was taken Kim Bentz, Romane Matthias, Kevin Bill, Joseph Lawrence were present, Jerry Ferrie was absent. Visitors in attendance were Clair Pecinovsky- Airport Manager, Steve McCarville- City Council Member, and Jason Passmore- Chamber of Commerce.

The reading of last meeting minutes were presented. Joseph Lawrence made a motion to approve minutes and was seconded by Kevin Bill, motion carried.

The commission reviewed the bills from the period from 7-01-15 to 8-04-15, Kevin Bill made a motion and seconded by Romane Matthias to approve the bills, motion carried.

Old Business:

Discussion on the future renovation of pilot lounge and East end of hanger, the commission is still waiting to hear on the results of the grant we applied for, we will be putting the project on hold until we hear something, maybe by the next meeting we will know more and we can start making plans.

Lynn Johnson has been in communication with the Airport Manager- Clair Pecinovsky about still being interested in building a hanger for his business, he is interested on building in a certain location and that is the only spot he would accept. Kim and Romane are not in favor of this location where he wants to build it, and gave their reasons why they feel this way. We will check on the contract that we proposed years ago. Kim will check with Michelle at City Hall and we will discuss it as old business at the next meeting.

Changing the Secretary/ Treasurer position was voted on, motion was made by Romane Matthias and seconded by Kevin Bill to have Joseph Lawrence take over duties from Kevin Bill, motion carried.

New Business:

Farm Land Lease- The City of Cresco is not eligible for the 10 year set aside program through the government, so we will need to find someone to lease the land in the future years.

The city got a new lease proposal from Brian Schmitt, the farmer who is currently leasing the land, he had different lease amounts for the land depending on time that he leased the land for, the commission believes Brian Schmitt has been a good renter and wants to continue their agreement with him for three years at the \$270.00 per acre amount. The commission also discussed putting a stipulation in contract to adjust the land leased if the airport builds new hangers in the future. Kim Bentz made motion and seconded by Kevin Bill to accept Brian Schmitt's land lease proposal, motion carried. Kim will get with Michelle at City Hall concerning this.

August 1, 2015

To: Airport Commission; City Clerk; and Cresco City Council:

Re: Continuation of Airport Rental Ground

Because of the drastic change in commodity prices, I would like to propose a new rental agreement. It has been mentioned that the new amount would start with the county average. I have included a sheet from the USDA with the latest Howard County Rental Price which is \$248 per acre and that was based on 2014. I would estimate that 2015 will be lower than \$248 because of the continued price drops we have been experiencing.

1. I would propose for a one year contract I would pay \$260 an acre for one year.
2. I would propose for a two year contract I would pay \$265 an acre for 2 years.
3. I would propose for a three year contract I would pay \$270 an acre for 3 years.

The longer term contract is helpful to plan for fertilizer applications and other input costs.

Please keep in mind that unusual shapes and small fields makes it a more difficult piece of ground to farm. Also because of height restrictions we are limited to soybeans or any other short crop near the runways which takes up a large share of the total work ground. The crop base for corn and soybeans are less than half the total acreage so a greater share is not even under the government program.

Thank you for this opportunity and consideration of my new proposal.

Mayor Mark Boehle and Cresco City Council,

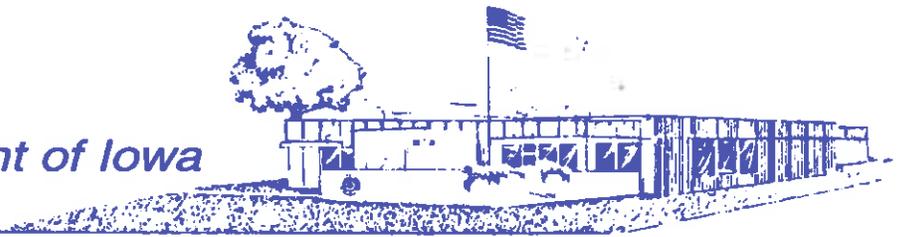

I am writing this letter because of my concern of the speed of traffic on 7<sup>th</sup> Ave E. near East Park. East Park is a very busy park in the summer time with ball games, both youth and adult, picnics, the disk game, Bean Bag boards and families at the play equipment. Many walk and bike on this road and small children ride bikes to ball games. There is much traffic on this road with high School so close and also traffic coming in from Hwy 139. Many go very fast exceeding the speed limit. There are no speed limit signs or signs indicating that there is a park there. I have talked to several people that live in the vicinity and they are concerned also. Hopefully nothing tragic happens on this street in the future.

Thank you!

October 23-24, 2015

The American Legion requests that the American Flags be put on the street for the weekend of October 23-24 because we are having a conference here in Cresco at the Heritage Events Center. American Legion members will be coming from several towns, and we are wondering if the flags could be put up and trash baskets emptied. We will be having memorial services in front of the courthouse at 11:00am on Saturday.

Please help us make this a successful conference.
