NOTICE OF PUBLIC HEARING
AMENDMENT OF CURRENT CITY BUDGET

The City Council of Cresco in HOWARD County, Iowa
will meet at City Hall
at 7:00 pm on 11/7/11

for the purpose of amending the current budget of the city for the fiscal year ending June 30, 2012
by changing estimates of revenue and expenditure appropriations in the following functions for the reasons given.
Additional detail is available at the city clerk's office showing revenues and expenditures by fund type and by activity.

Table with 4 columns: Item, Total Budget as certified or last amended, Current Amendment, Total Budget after Current Amendment. Rows include Revenues & Other Financing Sources, Expenditures & Other Financing Uses, and Ending Fund Balance June 30.

Explanation of increases or decreases in revenue estimates, appropriations, or available cash:

Expenses not anticipated in original budget including Theatre projector, sidewalk, roof repairs and tuckpointing for \$45,000. Sewer plant blower broke down to be fixed for estimated \$10,000. Engineering costs for industrial park study was under budgeted by \$5,000. Transfers will be needed from Cresco Telecommunication Fund for \$40,000 for the Theatre and \$30,000 from LOST for the City's match for the Smart Planning Grant received for Comprehensive Planning.

There will be no increase in tax levies to be paid in the current fiscal year named above. Any increase in expenditures set out above will be met from the increased non-property tax revenues and cash balances not budgeted or considered in this current budget. This will provide for a balanced budget.

City Clerk/ Finance Officer Name

1. Ordinance 436 & 437 - Street Grades that must be recorded in the Ordinance Book due to the street reconstruction projects. After public hearing and 2<sup>nd</sup> reading, I assumed we could waive the third readings as these are not controversial and just procedural. (Items #1 - #8)
2. Urban Revitalization - Public hearing and then must pass a resolution extending the deadline for the Cresco Urban Revitalization Plan for tax exemptions until January 1, 2017. Then must have 1<sup>st</sup> Reading of the Ordinance #439. Then I assumed you would want to waive the 2<sup>nd</sup> and 3<sup>rd</sup> readings because it is just extending a deadline for an existing program. If you don't want to waive the readings, we can read it at the next 2 meetings and still get it published before the 12/31/11 expiration date. It is up to council whether to waive them or not. (Items #9 - #13)
3. Budget Amendment – Public hearing and then resolution to approve. Amendment is mainly due to Theatre expenses not budgeted earlier and an unanticipated breakdown of a blower at the sewer plant with a cost estimated at \$10,000. (Items #14-15)
4. Alliance Building – Council needs to decide if they are going to sell the building. I wrote the resolution as selling only the south portion of the building and the City retaining ownership of the north addition and parking lot. The addition should be torn down in mid-November by Balks. I left the minimum price blank (\$3,000 should cover all our expenses already incurred). Estimates to tear down the whole building are about \$38,000. You should have received an email from me with a letter from Jody Torgerson attached that asked for a chance to preserve the building. To be sold, it needs to be published 10 days prior so the earliest date would be 12/5/11 sale date. (Items #16-17)
5. Martin & Walter – They would like to address Council to do something about the poor workmanship being done by the subcontractors that Windstream hired to install their underground. Rod did take pictures and forwarded them to Windstream who did replace some of the concrete. (Item #18)
6. Water Connection Fees – Public Works Committee is recommending implementing a \$5,000 connection fee for anyone wishing to hook up to City water that lives outside the City limits. The committee has been working on the ordinance for several months and discussed it a meeting they had with nonresidents living along Yankee Avenue. Last week, Irv Holub came in and requested to hook up to city water for his nursery which is outside the city limits. I told him he would have to pay a \$5,000 connection fee and he refused stating that it was not in Code of Ordinances. I explained that we were working on it and that the City would not let him hook up to our water unless he complied with the connection fee. I checked with legal counsel and the City can deny a request from a non-resident to hook up to our water. He would like to address council on this issue. He is correct that it is not official yet, but he did know we were working on this ordinance change prior to coming in with the request. It still must be decided by Council if they want to implement the charges by

approving the first reading of the ordinance. Council would then have to set a public hearing for 11/21/11 and perform the 2<sup>nd</sup> reading and then the 3<sup>rd</sup> reading on 12/5/11 at which time it could be approved and published. Effective date would be 12/14/11 which is the date published. (Items #19 - #22)

7. Annual Financial Report – This report must be filed with the Iowa Auditor of State each year by December 1<sup>st</sup> after being published in the paper. I worked with our auditor to make the changes necessary for the new GASB 54 rules which caused us to reclassify some of our “special revenue funds” to “general funds”. We will continue to keep them in separate funds to track the revenue and expenses apart from the big general fund. (Item #23)
8. Police Chief – Due to problems with the physical exams, Elvins will not be able to work for the City of Cresco. The Personnel Committee may be making a new recommendation for the new Police Chief. (Item #24)

The Cresco City Council met October 17, 2011, at 7:00 pm at City Hall. Council members Blake, Bouska, Moore, McCarville and Loveless were present. No Council members were absent.

It was moved by Bouska to approve the consent agenda which included approval of: the agenda; claims; minutes of the October 3, 2011 City Council meeting; pay request #1 for \$14,822.43 for S&B Construction for housing rehab project; pay request #2 for \$298,789.73 for Magney Construction for the WWTP biosolids handling and storage project; pay request #3 for \$188,552.21 for Skyline Construction for 1<sup>st</sup> Ave project; street closing/parade permit for Driftrunners for the snowmobile trail. The motion was seconded by McCarville and passed all ayes.

Mayor Mark Bohle welcomed the boy scouts attending the meeting. Mayor Bohle wanted to recognize and thank Riehle Decorating Inc for donating their time and supplies in making repairs at the theatre. The Mayor also reported that 15 people attended the Open House at the Street Shop last weekend. Mayor Bohle read a letter of retirement from Mark Kissinger who is retiring as Chief of Police at the end of the year. The Mayor thanked Kissinger for his almost 34 years of dedicated service to the City of Cresco. The personnel committee will be conducting interviews this week for a new Police Chief.

Public Works Director Rod Freidhof reported: (a) Rick Bollman finished the street shop repairs and a 3<sup>rd</sup> party will complete an inspection. Dale Andera still needs to install an exhaust fan with a humistat on it; (b) Street-picking up leaves and yardwaste and cleaning the streets; (c) Water-flushing and repairing leaky valves; (d) Sewer-will start hauling sludge this week and will be installing CIPP (cure in place pipe) on a sewer main this week; (e) complaints have been received and we will consider improving the area east of the theatre since we are replacing the sidewalk.

Police Chief Mark Kissinger reported the radio project is complete and they had to install updated radios in three cars. The radios were paid for by grants and the City will pay the installation cost. The incident at the school was a simple assault and the five juvenile referrals for the assault were filed last week.

City Clerk Michelle Girolamo reported: (a) September Financial Statements were enclosed in packets. Fund balances look good, revenue is under budget until the big property tax payment is received in October, water revenue is high but may taper off in the winter and expenses are on budget; (b) Denise and Bill are updating the new website and hope to have it ready soon. They are also working with the Chamber on a joint Facebook account.

The 3<sup>rd</sup> quarter Hotel/Motel Tax received was \$9,125.41 of which \$4,562.71 is available for tourism grants. The Cresco Tourism Advisory Board made the following recommendations to award: \$1,000 as requested for snowmobile maps for the Driftrunners Snowmobile Club; \$1,000 as requested for marketing for the Chamber Membership Committee for the Cresco Jingle in your Pocket promotion; \$500 as requested for marketing for the Cresco Chamber for the Santa Holiday Parade. Loveless made the motion to approve awarding the \$2,500 as recommended by the Tourism Board. Bouska seconded the motion and it passed all ayes.

Jason Passmore presented proposals for changes to the instructions and the application form for the Tourism Grants. The biggest change is moving the due date up to the 15<sup>th</sup> of the last month of each quarter so awards can be made more timely at the first meeting of the month.

Fire Chief Neal Stapelkamp reported that their radio project is also completed and all funding was done by grants received by the Fire Department.

Matt Miner of the Driftrunners Snowmobile Club reported that they have been awarded a new groomer to replace their 1987 groomer. The Driftrunners will need to pay 10% of the \$123,000 cost so they are doing fundraisers to raise \$12,300. He will be requesting funds from

all cities and counties that are serviced by their trails and asked for \$1,500 from the City of Cresco. Council will consider the request.

Public Works Committee had a meeting regarding the Alliance Store and recommended that we apply for the grant even though demolition may take place prior to awarding of the grant. Council must decide whether it is in the best interest of the City to sell and that it serves no public purpose. Blake felt the addition must be torn down before selling the attached building in case it is damaged. Council members Bouska and Moore felt that the whole building should be torn down. Blake made the motion to remove the hazard which is the back addition and then to evaluate whether to retain, sell or demolish the remaining building. Moore seconded the motion and it passed all ayes.

Loveless made the motion to approve a resolution accepting the quote and awarding of contract for the airport North Apron Rehabilitation Project to Scholbrock Masonry for \$10,850. Other quotes received were \$13,750 from Ollendieck Construction and \$20,386 from Tupy Construction. Blake seconded the motion and it passed all ayes.

Clair Pecinovsky, on behalf of the Airport Commission, presented a proposal from Lynn Johnson, a crop sprayer, to build a hangar at the airport. It would be built by Johnson to the City specifications and then it would be owned by the City and rented back to Johnson on a long-term basis. Staff was instructed to work with Johnson to find a location and file necessary paperwork with the FAA so that pending approval construction could be done next spring.

Mayor Bohle conducted the first reading of a summary of proposed Ordinance 436 amending Chapter 138 of the Code of Ordinances of the City of Cresco, Iowa, 1998, by establishing grade elevations on certain streets in the City of Cresco, Iowa, for the 1<sup>st</sup> Avenue East Reconstruction Project. McCarville made a motion to approve the first reading of the summary of Ordinance 436. Bouska seconded the motion and it passed all ayes.

Bouska made a motion to set a public hearing for November 7, 2011 of proposed Ordinance 436 pertaining to the grade elevations of certain streets. Moore seconded the motion and it passed all ayes.

Mayor Bohle conducted the first reading of a summary of proposed Ordinance 437 amending Chapter 138 of the Code of Ordinances of the City of Cresco, Iowa, 1998, by establishing grade elevations on certain streets in the City of Cresco, Iowa, for the 2<sup>nd</sup> Avenue East Reconstruction Project. Blake made a motion to approve the first reading of the summary of Ordinance 437. Bouska seconded the motion and it passed all ayes.

Moore made a motion to set a public hearing for November 7, 2011 of proposed Ordinance 437 pertaining to the grade elevations of certain streets. Loveless seconded the motion and it passed all ayes.

Loveless made the motion to approve the recommendation of the Board of Trustees to appoint Mark Grinhaug to the Cresco Library Board of Trustees and Library Foundation to fill a vacancy expiring 6/30/13. McCarville seconded the motion and it passed all ayes.

Loveless made the motion to approve a resolution determining the necessity and fixing date of November 7, 2011 for a Public Hearing on the matter of the adoption of a proposed amendment no. 1 to the Cresco Urban Revitalization Plan for the Cresco Urban Revitalization Area. Moore seconded the motion and it passed all ayes.

Bouska made the motion to set a public hearing for November 7, 2011 for the budget amendment #2 for fiscal year ending June 30, 2012. Moore seconded the motion and it passed all ayes.

Bohle asked if there were any comments from the audience. Matt Miner asked what the next step would be regarding the groomer. He was instructed to file a tourism grant application. Jason Passmore reported on free websites available through Google and workshop training in

Calmar on November 9<sup>th</sup> for setting up websites. The laborshed studies have been completed and copies are available at the Chamber office or on the Chamber's website. Thanks to the local banks there will be the "Jingle in your Pocket" promotion again this year. Cresco Family Dentistry will be celebrating their 25 years in business this Friday. There were no other comments from the audience.

It was moved by Bouska to adjourn at 7:50 pm. The motion was seconded by Moore and passed all ayes. The next regular Cresco City Council meeting will be November 7, 2011, at 7:00 pm at Cresco City Hall.
