

Howard County Phase 1B COVID-19 Vaccination Update:

Howard County Public Health has begun vaccinating those in Phase 1B which includes those age 65 and over and Tier 1 which includes First Responders and School and Childcare staff. These vaccinations will be scheduled on a weekly basis as allocation amounts are only known when they arrive each week.

In the meantime, **IF YOU ARE 65 OR OLDER and interested in receiving the COVID vaccine**, Howard County Public Health has now opened a **waitlist for those 65 and older ONLY**. To be placed on this waitlist, go to <https://www.surveymonkey.com/r/howardcovaccine> and complete the form in its entirety.
